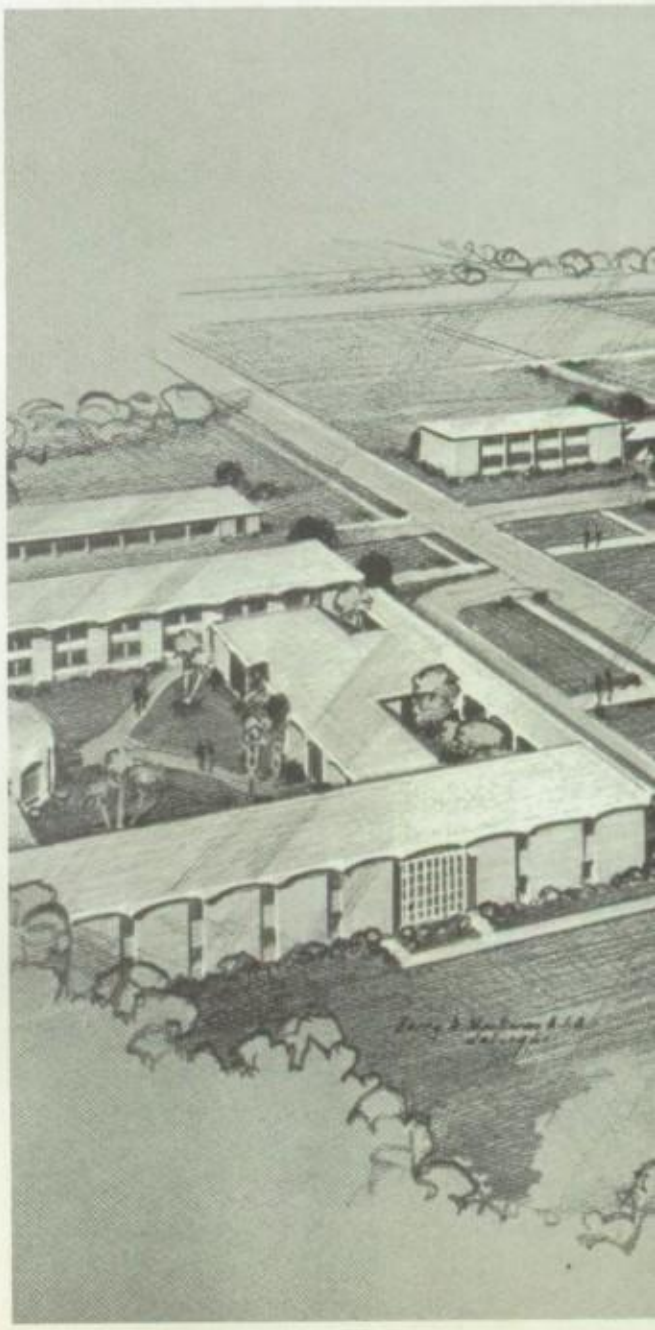
## THEME

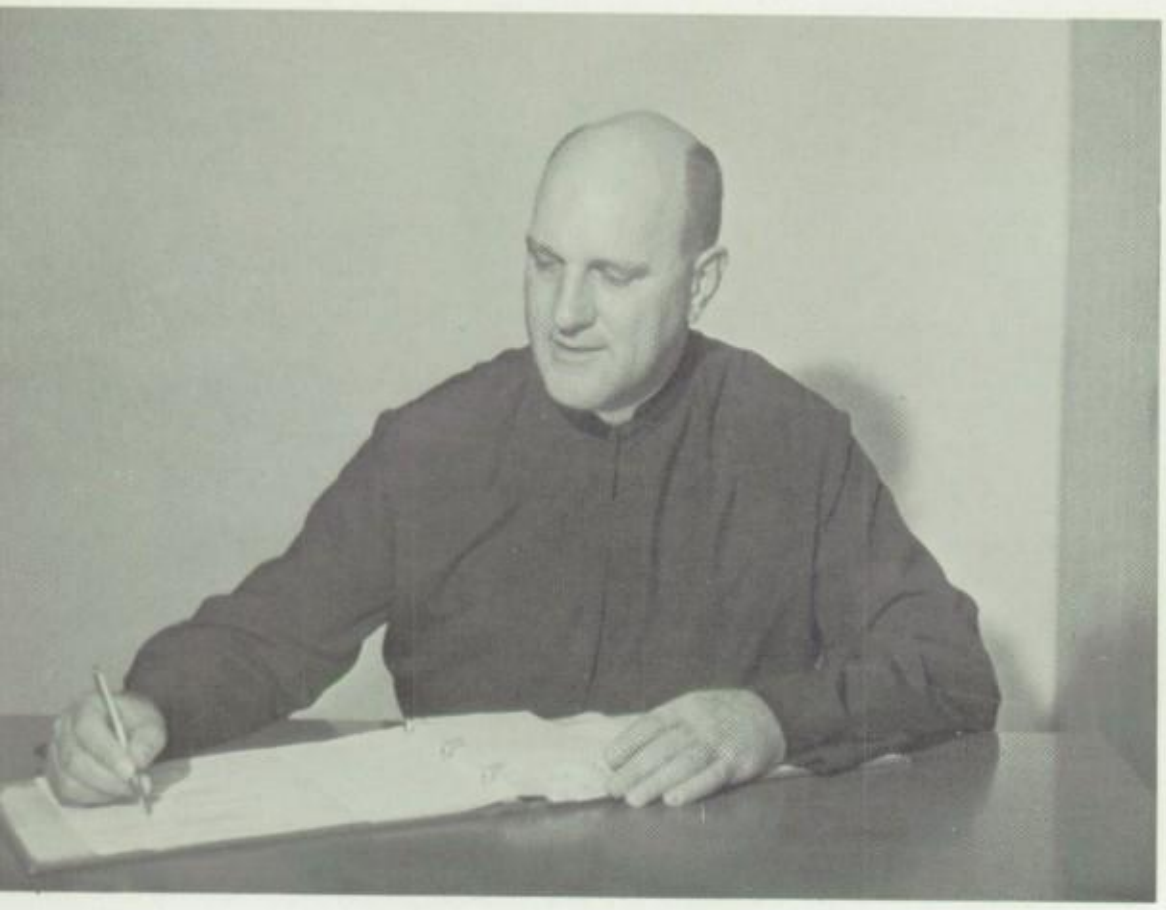
The year of 1965-66 finds the Annual celebrating its twenty-fifth Anniversary. Many changes have occurred in the school and in the yearbook which we hope to point out in this silver edition of the TIGER. The tremendous amount of zeal and perseverance it takes to carry out these changes is signified by the Seal of Loyola. Since 1941, the school has changed from a confined, four story building of one-hundred students in downtown Tampa to the sprawling academic and physical plant of eleven buildings located on eighty acres of spacious territory in northwest, suburban Tampa. Its enrollment has reached as high as three-hundred seventy-five students with a confident aim towards six-hundred in future years. The book itself is in its biggest and best year hoping always that it will convey the feelings and sentiments felt by everyone concerned during the past school year.

We find in this progression towards change, the seal which has not changed in the past four-hundred years. The seal, signifying courage, zeal, and perseverance for the striving towards a goal, whether it be academic or not, represents the stability of the institution which Loyola has founded and the Jesuits have made to blossom. Modes of thought change; materials change; but ideals do not change. It is these ideals which the present Jesuit institution strives to convey.

And so, with the crest as our ideal, and the past twenty-five years as memories, the staff offers to convey the attitudes and structures which are present in this year of nineteen-hundred and sixty-six.



Rector and President of Jesuit High School
1959-1965



REV. LARION J. ELLIOT, S.J.

Since Father Elliot's installation here as President in March of 1959, progress has been the keynote for Jesuit High School. When he took over, the Jesuit campus on Himes Avenue was but only two years old, and there were only four buildings: the administration and two classroom buildings and the cafetorium. This was the beginning of the dream which is today a complete reality. New Facilities erected during Father Elliot's six-and-a-half-year tenure include the beautiful chapel, the library, a third classroom building, the best gymnasium-activities building in the city, the faculty residence, the track, and a maintenance building. A modern, completely equipped audio laboratory has also been installed. Mainly because of Father Elliot's determined leadership and untiring efforts, Jesuit can now boast one of the finest high school campuses in the nation.

The ANNUAL would like to note not only Fr. Elliot's contributions to the physical plant at Jesuit High School but also to point out that he greatly added to the prestige of Jesuit in the community of Tampa by serving on the Board of Directors of the United Fund, of the Safety Council, on the Board of Directors of the Community Coordinating Council, and on the Education Committee of the Chamber of Commerce.

Those who knew Fr. Lashley—former students as well as friends—were saddened to hear of his death in St. Joseph's Hospital on December 12, 1965, from the effects of a severe heart attack he had suffered ten days earlier.

Fr. Charles J. Lashley, S.J., from the summer of 1947 to the day of his death, held the difficult and often thankless position of Prefect of Discipline at Jesuit High School. Hundreds of boys met him during those years, came to know his well-tempered and firm discipline, and left the school with great respect for this quiet yet effective marker of men. Fr. Lashley also taught English to sophomores and juniors for many years, until his failing health forced him to limit his classwork.

But Fr. Lashley was more than a disciplinarian and a teacher. During his many years at Jesuit High of Tampa he generated a certain spirit and confidence in the school as an educative and formative agent. His tireless work with the Dads' 'Club to raise funds for many improvements needed in the school is a monument to his deep conviction that there is no greater work for a man than to give himself for the sake of youth.

As far as the institution, Jesuit High School, is concerned, Fr. Lashley belongs to that hardy group of selfless men who struggled through grim years when the continued existence of the school was questionable to the time in the relatively recent past when the future of Jesuit High was assured through the acquisition of a spacious and modern physical plant. His stay at Jesuit spanned the transition from the old downtown school to the new suburban campus. When he was struck down by the last heart attack he was directing another one of his numberless projects to improve the school, and it seemed to keep his attention to the end.

We, the graduating class of 1966, looking at what Fr. Lashley accomplished for our school, choose to dedicate this annual to the memory of a man, a priest, a friend we cannot forget. We do this to publicly express the debt of thanks we owe him but can now never personally repay. We therefore gratefully dedicate this 1966 Tiger Annual to the memory of Fr. Charles J. Lashley, S.J.

## PRESIDENT'S. MESSAGE

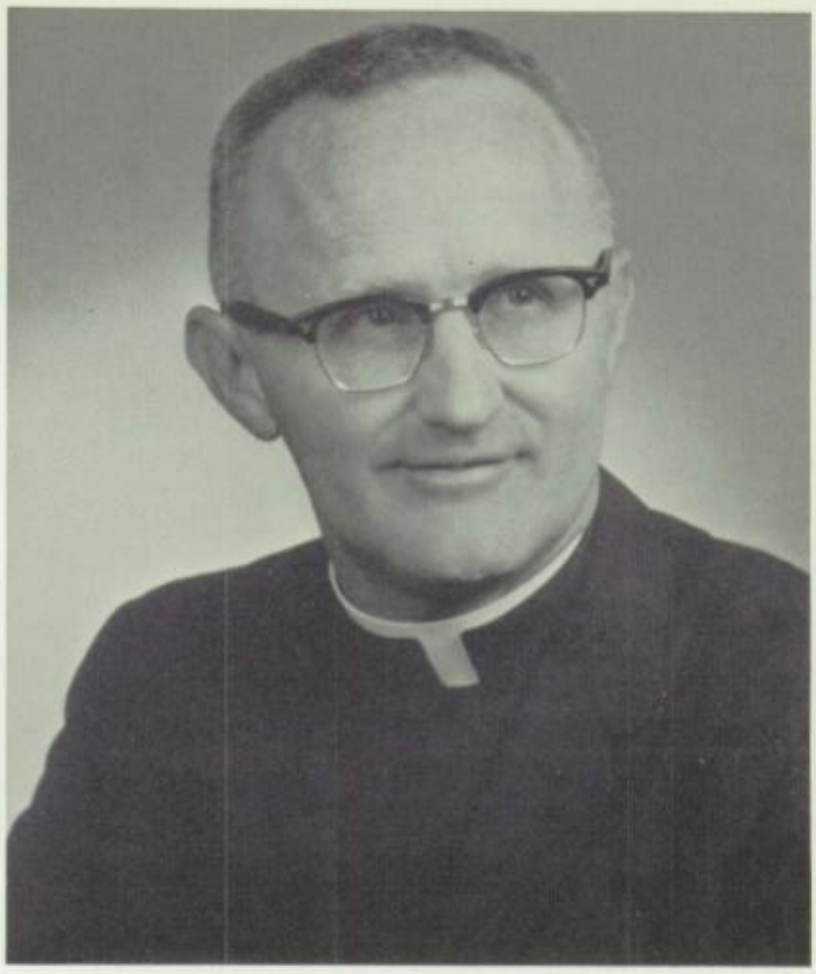
Today we live in exhilarating and challenging times! The marvels of industry, medicine and science are almost too vast for the human mind to grasp. Human relations—an understanding and appreciation of our fellow man—are rapidly improving.

Yet it is a confused and confusing world! What will the coming years bring? From every side you will be challenged by many changes, by new ideas—some good, others not good, by new ways of living, by new sets of values, by new political, economic, social and moral theories.

At Jesuit High School, The faculty and your parents have clearly pointed out your eternal destiny to you. We have helped you to develope a thinking and discriminating mind—a mind that can weigh and evaluate these changes and challenges in the light of your eternal destiny. Your faculty and parents hope and pray that you will always do so, and that having chosen well, you will have the moral courage and stamina to be the Christ-like man whose life will be of great value to his community and country in time, and of the greatest value to you and God for all eternity.

Joseph F. Beaver S.J.

Joseph F. Beaver, S. J.



## PRINCIPAL'S MESSAGE

"Progress" is a well-worn but magical word in this era of modern history. Nothing and no one can stand still in the ever-present rush to improve the status-quo. As this school year of 1965-1966 comes to a close, it should be obvious to the students of Jesuit High School of Tampa that progress is being made and will continue to be made on our campus.

Progress for progress sake is absolutely futile. There must be a definite goal in mind so something constructive can come from the effort needed to produce progress. The goal of improving the curriculum, student activities, school spirit, and school discipline has been met by faculty and students alike.

Credit for achieving this goal can certainly be cherished by the students. Without their willingness, their desire for improvement, all effort would have been in vain. Their cooperation, suggestions and hard work made easier the task of the administration to up-grade the general tone of the school.

As this school year ends, the students can say with justifiable pride that "progress" has been made—mainly because this is what they wanted.

God bless you,

Edward T. Coles, S.J.

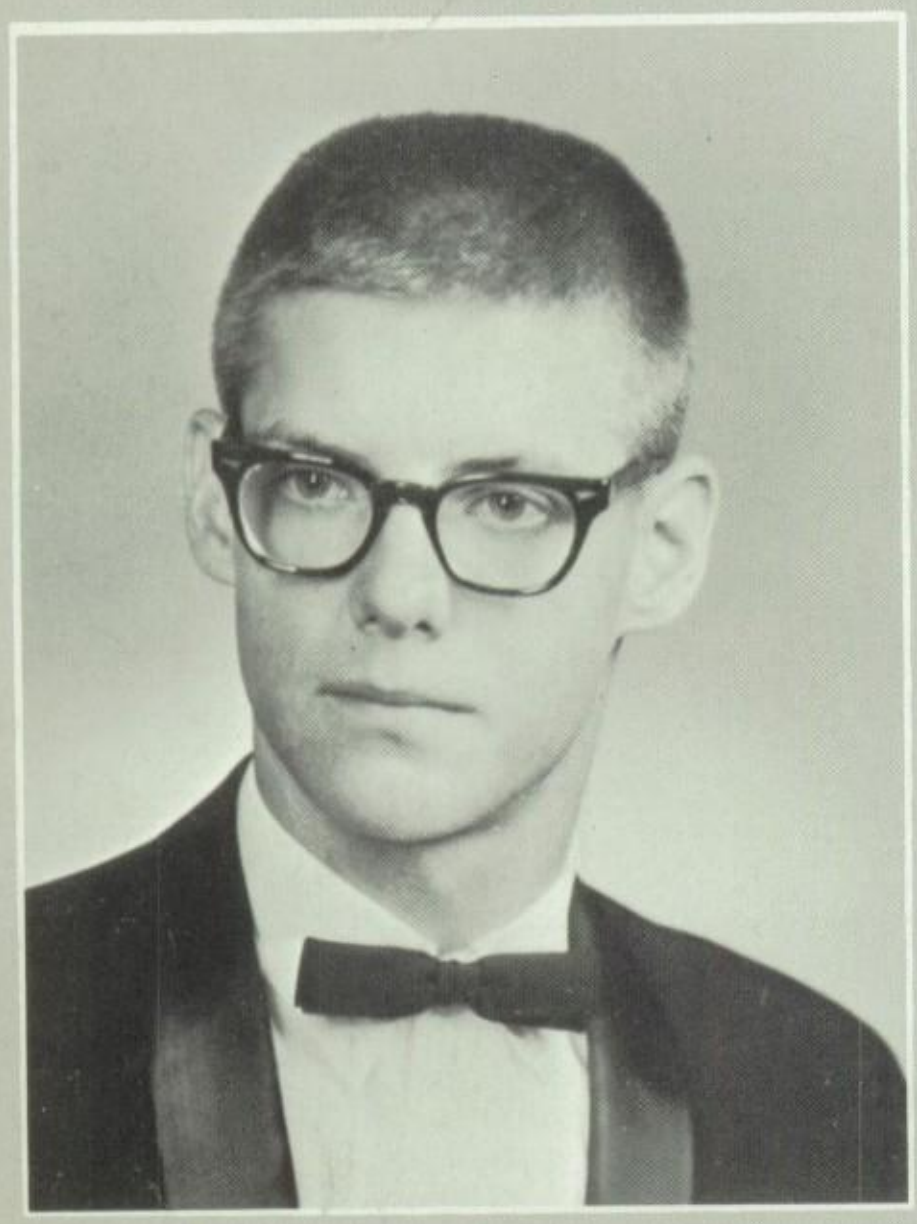
# TIGER OF THE YEAR



LESTER F. SUMNER

Lester F. Sumner has been chosen Tiger of the Year because of certain qualities that he has shown during his four years at Jesuit High School.

Most noticeable of these is the fact that Lester works hard at whatever he attempts. In his studies, Lester applied himself with characteristic energy and success so that he gained a solidly respectable average in the upper percentile of his class for four years. This same driving determination to do well was manifested during the four years that Les played football, which earned him the position of quarterback during his senior season. This fine fusion of hard work and native talent was richly rewarded when Les was chosen to the Tampa All-Academic Football Team after the 1965 season.

Lester has used his time in other worthwhile activities during the past four years. He has participated for three years on the Jesuit Track Team. He belonged to the Letterman's Club in his third and fourth years at Jesuit. The Jesuit Chapter of the National Honor Society claims him as one of its charter members. In his senior year Les contributed to the Tiger as a sports and feature writer and also did layout work for a section of the Annual.

The respect and esteem in which Lester Sumner is held by his fellow-students is reflected in the fact that for three years he served in the Student Council, and that he advanced from class secretary in his sophomore year to class vice-president in his junior year to finally be chosen as class president of 4A.

During the past year in the October issue of The Tiger, the Editorial Board and the Faculty chose him Tiger of the Month. On Graduation night Les received the American Legion Award, given to the outstanding senior on the basis of scholarship, character, and leadership. Lester has received an appointment to the United States Military Academy at West Point.

To this outstanding graduate of the Class of '66, the Tiger Annual Staff, in the name of Jesuit High School, is proud to confer the distinction of TIGER OF THE YEAR.

# THE OUTSTANDING UNDERCLASSMAN OF THE YEAR

On graduation night, Dr. Frank Massari, a graduate of 25 years ago, congratulated Jimmy Garcia on his selection as the Underclassman of the Year. On this occasion the quiet, almost shy personality that is Jimmy's and which has won him the loyalty and respect of students and faculty alike was most evident.

Yet his quiet personality on the basketball court or baseball diamond exerts the drive and desire that makes for good, keen competition. This drive and desire was twice recognized by the Times sports writers when they chose him as player of the week. At the city wide basketball banquet Jimmy received the Jesuit Most Valuable Player Award. His gentlemanly conduct and sportsmanship were instrumental in bringing home to the Jesuit trophy case the City Basketball Sportsmanship Award for the 1965-1966 season.

At the close of the basketball season Big Jim traded his number 30 for a 24 and played 1st Base on the All City Championship Baseball Team. At the Spring Sports Banquet he received his second letter in basketball and in baseball.

The underclassman of the year should be a leader who is looked up to by all years of the school. He should be devoted to the honor of Jesuit High School in all he does whether academic or athletic. It is for these reasons that the student body of Jesuit High School chose Jimmy Garcia as the UNDERCLASSMAN OF THE YEAR.

## New School Marks Its 10th Anniversary

Jesuit High School graduated 45 seniors in May 1956 — the last class to have graduated from old Jesuit High in downtown Tampa. In August 1956 the new Jesuit High School in suburban northwest Tampa opened its doors to 231 students and a new chapter in the history of Jesuit High of Tampa opened.

The physical plant of the North Himes Avenue campus was built under the direction of the President of the school, Fr. Michael F. Kavanagh, S.J. The campus during the first year boasted an administration building, two classroom buildings, and a football stadium. Before Fr. Kennedy's term ended in the spring of 1959, he had also seen a cafetorium constructed.

During the administration of the second president of the new Jesuit High School, Fr. Lamar J. Elliott, S.J., the physical plant of the school was completed. New facilities built during Fr. Elliott's term include: the students chapel, the library, the gymnasium-activities building, a third classroom building, the facility entrance, and a maintenance building. Improvements to the plant were made through the installation of an ultra-modern audio-laboratory in the administration building, the upgrading of the stadium's sound system, and the construction of an excellent track in the stadium. A curriculum revision was progress was begun that is continuing today.

The third President of the new Jesuit High School, Fr. Joseph F. Bruner, S.J., who took office in the fall of 1965, has announced the objective of increasing the enrollment of students in the school to the capacity of its physical plant — about six hundred. As part of the program of expansion, new teachers and teachers have been hired and the seating capacity of the stadium will be doubled by September 1966. A thoroughgoing publicity campaign has been begun through which the people of the Bay Area will become aware of the facilities Jesuit High offers in education.

The annual State Invitational Track Meet, held at the new Jesuit track in February of this year, gained much valuable publicity for the school.

This year Jesuit High school will graduate seventy-seven seniors, and this fall hopes for a total enrollment of about 750. As the past ten years in the new school have been years of physical expansion, so it is hoped that the next decade will see the school grow in academic and athletic excellence, attain its full student capacity of six hundred, and take its place in the inaugurating college preparatory school in the state.

## New Annuals To Arrive September 10

The staff of the 1965 Tiger Annual is currently giving the final touches to its work. Working this year under the direction of Mr. Joseph Bode, S.J., were the Editor, Richard Austin, Business Manager, Pete Von Gontard, Layout Editor, Ray Chase and Photo Editor, Charles Bisbee. Gathering the information on each class, each athletic team, and the extra-curricular organizations were Terry Maimone, Paul LiCalsi, Danny Fernandez, Steve Gast, Chuck Traina, Ken Hankins, Lee Sumner, Don Taylor, Bruce Gobling, Kevin Fitzsimons, Marco Sanchez, John Hensley, Mike Doyle, Perry Von Gontard, and Ed Ross.

Stephen Gee has been appointed as Editor of next year's Annual, Mr. Bode announces. The other members of the new staff will be announced at a later date.

The annual will be printed in September, and will be mailed to the seniors, the underclassmen will be able to pick up their copies of the annual in school.

The senior sundials will receive personalized copies of the annual with their names printed on the cover.

The annual staff wishes to express its thanks to Mr. Leo Wanner for all the assistance he has given the staff.

## 72 Students To Graduate In 67th Commencement Exercises

Jesuit High School of Tampa will hold its sixty-seventh Annual Commencement Exercises in D. B. McKay Auditorium, adjacent to the University of Tampa, on June 1, 1966, at 8:30 p.m. Diplomas will be presented to 72 graduates.

The Address to graduates will be delivered by Chester Ferguson, prominent Tampa attorney and chairman of the Florida State Board of Regents, the body which controls all state universities and junior colleges.

The Most Rev. Archbishop Joseph P. Hurley, D.D., Archbishop of St. Augustine, will preside over the ceremonies. The Archbishop and Rev. Joseph Bruner, President of Jesuit High School will also address the graduates.

All Gold Medal Awards will be presented at the graduation. These include categories of English, Mathematics, Latin, Spanish, Science, and Public Speaking. The Outstanding Upperclassman Award will also be presented along with the perfect attendance award. The American Legion Award is the most outstanding senior will also be presented.

The exercises will have a new feature this year. All faculty members, attired in cap and gown, will join an academic procession and will lead the graduates of grades ten thru the auditorium.

Members of the National Honor Society will serve as ushers.

The Baccalaureate Mass for the 1966 graduating senior class will be offered in the Jesuit High School student chapel on Sunday, May 29 at 9 a.m. All relatives and friends of the graduating class are invited to attend the Mass.

The Very Rev. Joseph F. Bruner, S.J., President of Jesuit High School, will offer Mass for the graduates. The Very Rev. William J. Kraus, S.J., President of Spring Hill College in Mobile, Alabama, will address the graduates at the Mass.

The graduates will wear caps and gowns for the occasion, as will the faculty.

Fr. Bruner

Mr. Chester Ferguson

## Three Jesuit Alumni To Be Ordained In Tampa

Three Jesuit High School alumni, who are members of the Society of Jesus, will be ordained to the priesthood here in Tampa — the first ordination of Jesuits to take place in the history of the city of Tampa. The Most Reverend Joseph P. Hurley, D.D., Archbishop-Bishop of St. Augustine, will ordain Mr. Michael Alchediak, S.J., and two brothers, Mr. James L. Lambert, S.J., and Mr. Louis J. Lambert, S.J. The ceremonies of ordination will take place at Sacred Heart Church on Tuesday, June 7, at 10 a.m.

Michael Alchediak, S.J.

**Michael Alchediak, S.J.**

Mr. Michael Alchediak, S.J., is the son of Mr. and Mrs. Michael Alchediak of 4109 Dunsmuir Avenue, Tampa. He was born in Tampa, received his elementary education at Sacred Heart Academy and graduated from Jesuit High School in 1953.

After graduation he entered the Society of Jesus and completed four years of spiritual formation and college studies at St. Charles College, Grand Coteau, Louisiana. From 1957 to 1960 he studied philosophy, mathematics, and physics at

## Wallauer Wins National Merit Scholarship

Jesuit's Russell Wallauer is one of six Tampa high school students who have been presented four year college scholarships by the National Merit Scholarship Corporation.

Russ' scholarship, sponsored by Anheuser-Busch, will be used at Georgetown University, Washington, D.C., where he plans to major in pre-law or economics.

Sponsoring corporations, foundations, colleges, unions, professional associations, trade union organizations and individuals provide 1,500 of the awards which are administered by the National Merit Scholarship Corporation.

## Further Expansion Of Corral Memorial Stadium Planned

Jesuit High School basketball, baseball and track teams have been very fortunate in having the use of facilities in which to perform. But Jesuit football teams have not been so fortunate. Many times in the past the Tigers had to make long treks to opponents' home grounds because their stadium lacked suitable accomodations for spectators at Jesuit. This situation will soon be a thing of the past, for Jesuit's Corral Stadium will soon have expanded facilities, thanks to a gift of the Corral family.

The enlarged facilities of Corral Stadium will seat 4,000 people and will be ready for the 1966 football season. The old stands, containing 1,800 seats, will become the visitors' side. A new section of stands will be built on the west side of the playing field and will be the home side. These new steel stands, extending from the fifteen yard line to fifteen yard line of the playing field will have twenty rows and will seat about 3,000 spectators. A new and larger press box will be built into the stands.

These new facilities will cost between $25,000 and $30,000.

The Brown Steel Company is going to build the new section of Corral Stadium. Construction should start around the beginning of June.

The idea for the stadium originated from the Athletic Boosters Committee of the Dads' Club. The Committee secured support for the proposed expansion of the seating capacity of Corral Stadium from both the Jesuit High School Foundation and the Jesuit High School Dads' Club. The Athletic Boosters felt that Jesuit High School did not have the proper facilities needed to host a football or a track meet.

The need for expansion of Corral Stadium's seating capacity became clear once the new track had been completed, for Jesuit High would in the future be hosting annual State Invitational Track Meets as well as local track meets. Adequate and appropriate stands were necessary for suitably hosting the variety of track meets.

But even more than this was the idea that Jesuit High School should play more of its football games at home, and surely better seats for visitors than temporary ones located on the west end of the field would be needed. As a promise of things to come, the Jesuit High School Athletic Department has scheduled six home football games this fall — a radical departure from practice in the past, and a promise of better things to come at Jesuit High.

At the beginning of this school year, the Tiger and Annual staffs were made separate operating departments of Tiger Publications. The Tiger staff as organized with an editorial board consisting of the Editor-in-Chief, Joseph Sabin, and two Associate Editors, Ray Brown and Michael Doyle in charge of planning and production. Departmental editors were features: Danny Fernandez, Russell Wallauer, Michael Sultenfuss; news, Paul LiCalsi; and Jimmy Charles as Exchange Editor in January of 1966, Chuck Traina in sports. These editors, assisted by the reporters and typists planned and produced five issues, October through March.

At the beginning of April the Tiger appointed a new staff: Michael Sultenfuss as editor-in-chief; Robert Gibbons as news editor; Paul LiCalsi as production editor; Steve Ondrovic as exchange editor. This new staff planned the April and May issues for this year.

The Annual staff this year, under the moderatorship of Mr. Joseph Doyle, S.J., has come up with the yearbook which yo have in your grasp at this moment. It has been a long, hard year's work for Mr. Doyle and the staff. Hours of meetings phone calls, personal conferences have all terminated and are now in print. Special thanks are extended to Peter Von Gontard who, in three days, worked tirelessly to raise 1700 dollars to help finance the yearbook. Charles Bisbee, for his fine photog raphy and dark room work, also gets special recognition. Also our sectional workers, who helped piece together the variou parts of the book, are thanked. Lastly, to our Patrons, for their generosity, we extend a sincere "thank you" and we hop you all enjoy the book as much as we enjoyed putting it together.

# JESUIT HIGH SCHOOL CHAPTER OF THE NATIONAL FORENSIC LEAGUE

Membership in a national honor society should be the objective of the ambitious and forward looking high school student. It represents recognition of achievement of which he will always be proud. For many students it is the pinnacle of their high school career, for others it opens the door to opportunity and success.

Some of these opportunities are available immediately, but the greatest value of membership is the encouragement and incentive it gives the student to become an effective speaker and hence a more successful and more influential citizen.

For years Jesuit High School has boasted one of the top N.F.L. Chapters in the State of Florida. The Chapter has qualified to send a representative to the National Tournament for three consecutive years, and has carried an average of over 100 degrees and members for the past five years.

RAY DICHARRY, Head
Football Coach.

The Jesuit team of 1965 put Jesuit High School back on the football map. The team registered an 8-2 season. This record is the second best a Jesuit team has ever compiled. The Tigers placed second in their region in the race for state. The Tigers were leading their region going into their game, but were eliminated when they dropped the close contest. The team's record during the past four years has been 2-8, 3-4-2, 5-5, and finally 8-2.

Now that Jesuit is back on the football map, they have the material to keep it there. Next year the goal is 10-0. The 1965 team would like to extend a special thanks to all that followed them this past season.

The Big Blues season's opener for the '65 season was staged in Corral Stadium, for the first time in eight years. The field was dampened by rain the Tigers were in fine spirits as they rolled over the Pinecrest Pilots 18-0. Sophomore Frank Massar was the big scoring gun of the game combining a 41 yard run and a 31 yard touchdown sprint for 6, a 10 yard gallop for 6 more and teaming up with end Gus Van Eepoel on an 8 yard pass to complete the scoring. Jack Kaufman Ed. Cimino, and Randy Canal turned in fine performances as per usual. Don Taylor, game Captain, was a standout on offense and defense as were Ed Shea and Todd Bray. The Tiger staunch defense limited the Pilots to a total gain of a mere 8 yards.

In the second outing of the season the Tigers were again triumph-
ant, whipping The Jefferson Dragons 12-0, our first victory against
he "fire-breathers" in 25 years. The Big Blue dominated the game
rom the opening whistle, moving the ball 72 yards. The Tigers took
over on their own 28, and moved to the 39 yard line, the Dragons
were then penalized and the Big Blue had a first down on Jefferson's
46. Frank Massari then looped one to Randy Canal on a pass run
option and Canal took the ball to the 10 before the Dragons were
able to bring him down. Then Ed. Cimino rammed the ball to the 5
and Massari took it from there to paydirt. The Tigers completed the
scoring in the 4th quarter when Frank Massari combined with Jack
Kaufman on a pass play of 66 yards. Kaufman grabbed the pigskin
on a dead run and kept running to the goal line. Jesuit's defense
again shone, causing numerous fumbles, nearly scoring a safety, drop-
ping the Dragon punter before he could boot the pigskin, and
grabbing two pass interceptions, one by Massari and the other by
Q.B. Les Sumner, who called a great game. Joe Whele, a surprise on
the defensive line, was truly outstanding in his play. Don Taylor,
Todd Bray, Ed Shea, Gus Van Eepoel, Tony Cutrono, Lolly D'Avanza,
Jacques Riviere, Charlie Bisbee, and Perry Rogers were repeatedly
brilliant in their duties on the line. George Suarez showed his kicking
prowess by punting the Dragons in the hole time and again.

Jack Kaufman, a doubtful starter due to a torn hamstring muscle,
provided the needed offensive spark in the Tigers' overwhelming
victory against Plant City. Immediately after entering the game mid-
way in the first quarter, Jack was on the receiving end of a 66 yard
T.D. pass tossed by offensive and defensive stalwart Ed Cimino
George Suarez kicked the extra and put the striking white ahead
7-0. The Tigers again went to the air in the second quarter with
signal caller Sumner lofting a pass to Randy Canal for a 25 yard
TD play. The extra point try failed, but the Tigers led 13-0. In the
third quarter the Planters capitalized on a blocked quick kick and
scored. This TD marked the first time anyone penetrated Big Blues'
end zone. Kaufman settled the issue in the fourth quarter with a
great 9 yard scoring scamper. Suarez booted the extra point to finalize
the scoring. Again Big Blues' defense was outstanding allowing no
pass completions and only 20 yards rushing. Coach Dicharry praised
Joe Whele and Don Taylor for their outstanding performance.

In minutes the Big Blue lost a game and an unbeaten season. The Tigers, fresh from 3 straight victories and confident, over confident perhaps, in their ability to go all the way received a rude awakening from a tough Brandon team. Halfback Buddy Schnurr put the biggest dent in the Jesuit defense by scoring 21 points. Brandon lit up the scoreboard on a 31 yard touchdown run by Rick Cornwell and led at the end of the first period 6-0. But the Tigers were not to be denied. In the second quarter, Ed Cimino bulled over from the 1 climaxing an 84 yard drive to tie it up. Then four plays after recovering an Eagle on-sides kick, Jack Kaufman threw the bomb to Randy Canal for 6 more and the Big Blue led 12-6. Brandon came back with a 2 yard plunge by Schnurr and had it tied at the half.

In the second half Brandon showed an exceptionally strong defense and potent offense. Jesuit Q.B. Les Sumner was injured on a pass reception and taken to the hospital. Jesuit did not score in the second half and a demoralized Tiger team took it on the chin, 33-12 for its first loss.

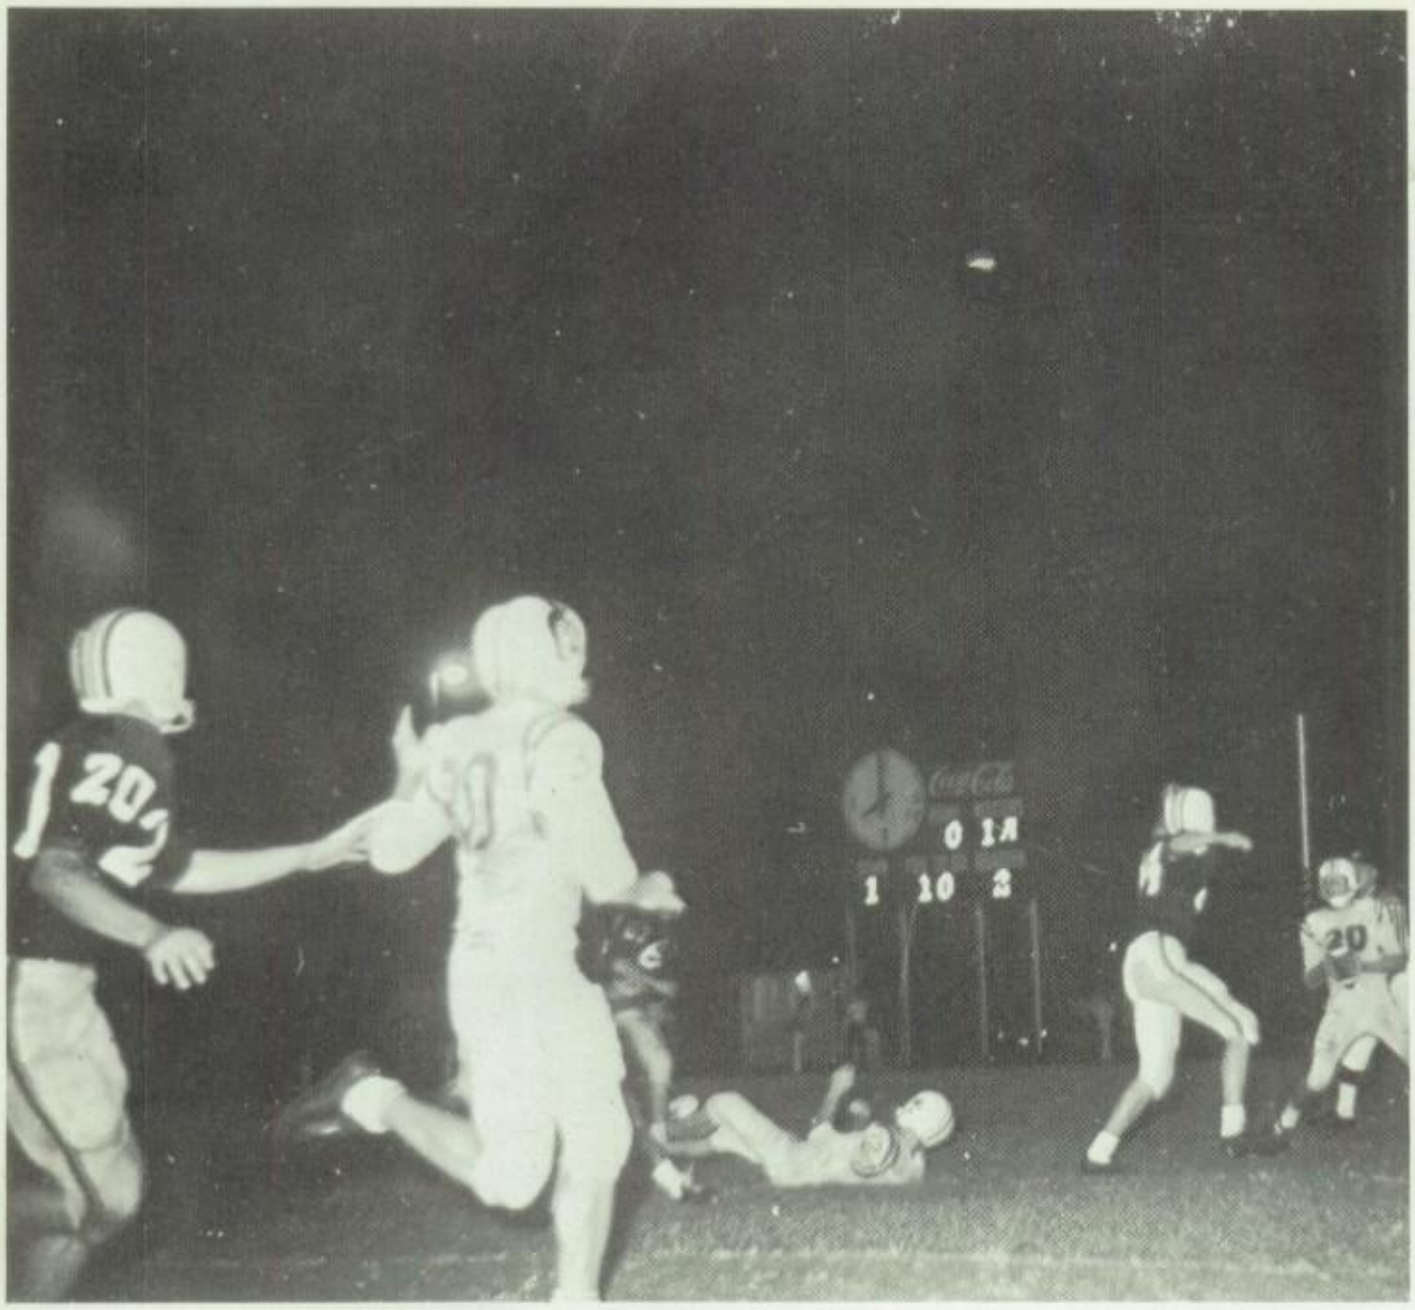
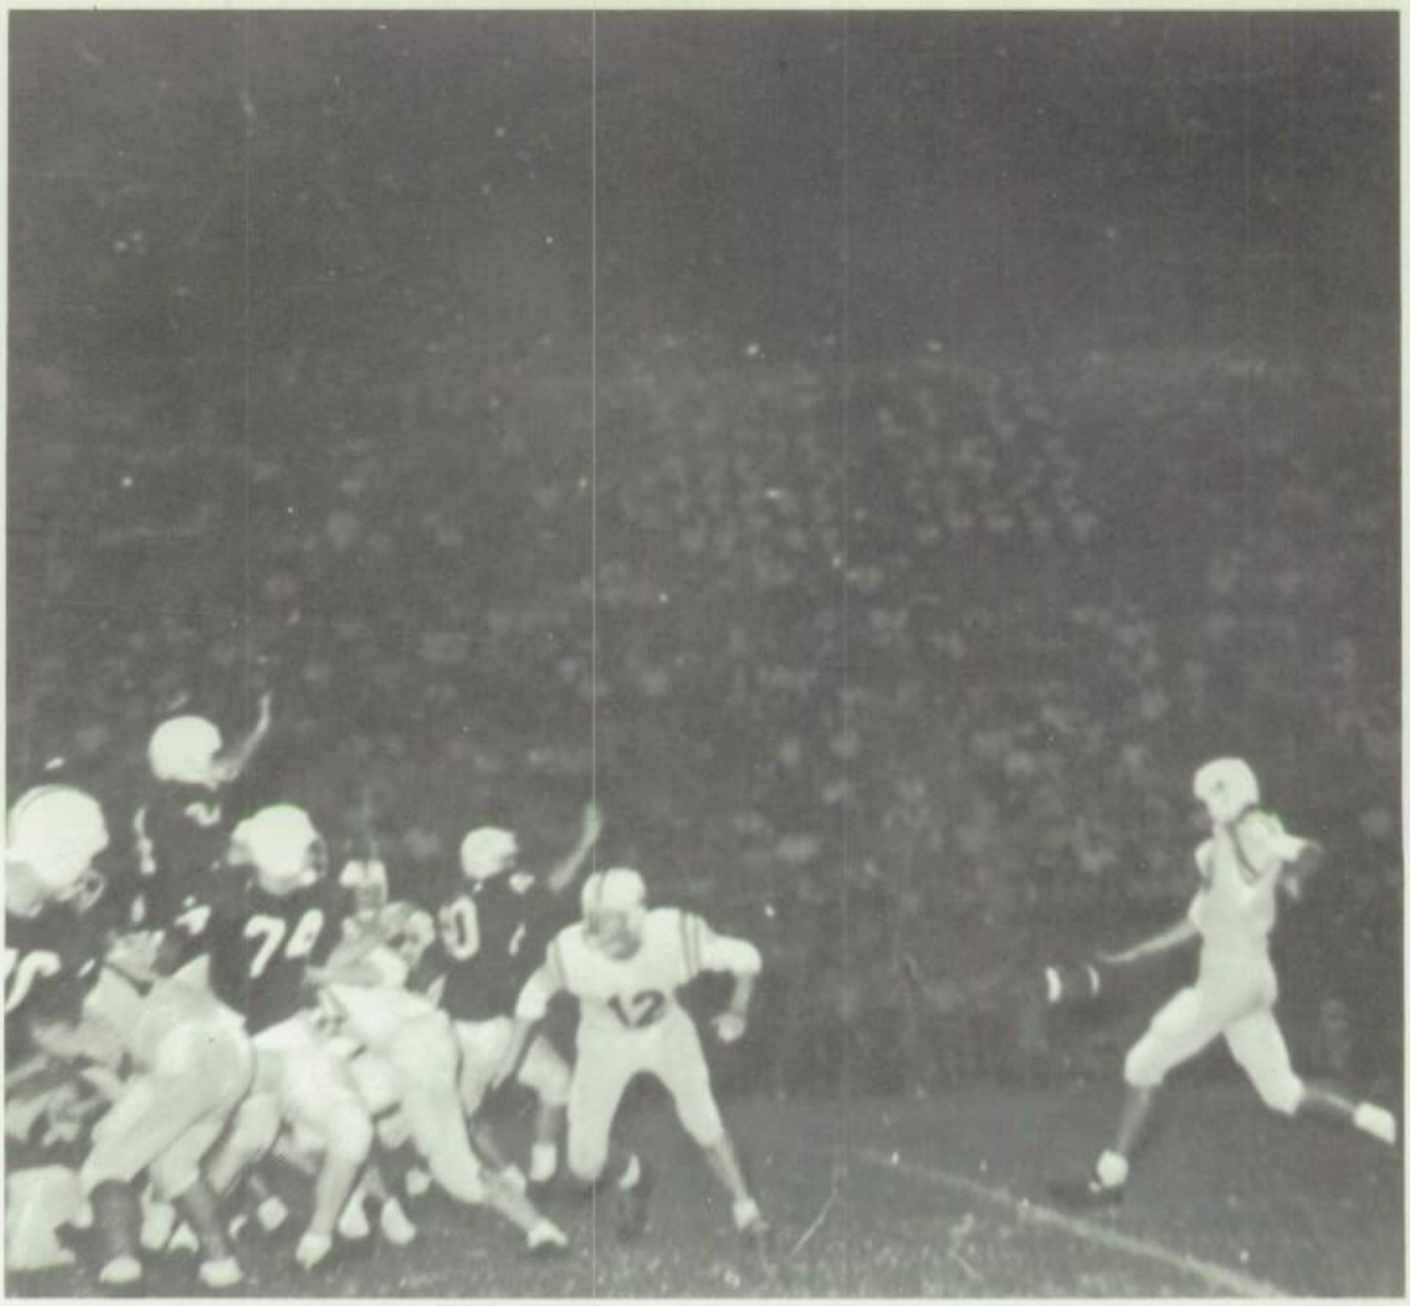
Jesuit Tigers rebounding from the defeat handed them by Brandon, completely outplayed the Orange Park Raiders at Corral Stadium. The inal tally was 33-0, Jesuit. The scoring spree started early as the Tigers got 6 the first two times they had the ball. Key plays were a 17 ard run by senior, Steve Acerra, and an 11 yard pass from Kaufman. Ed Cimino, back at the position which he held in '64, carried the pig-kin over from the 2. Kaufman scored next climaxing a 55 yard drive headed by himself, Cimino, and Massari. The next time the score-board lit up was on a 56 yard pass from Cimino to VanEepoel. Again in the fourth quarter the Tigers scored on a 76 yard pass play from Cimino to Kaufman and the Tigers roared their approval.

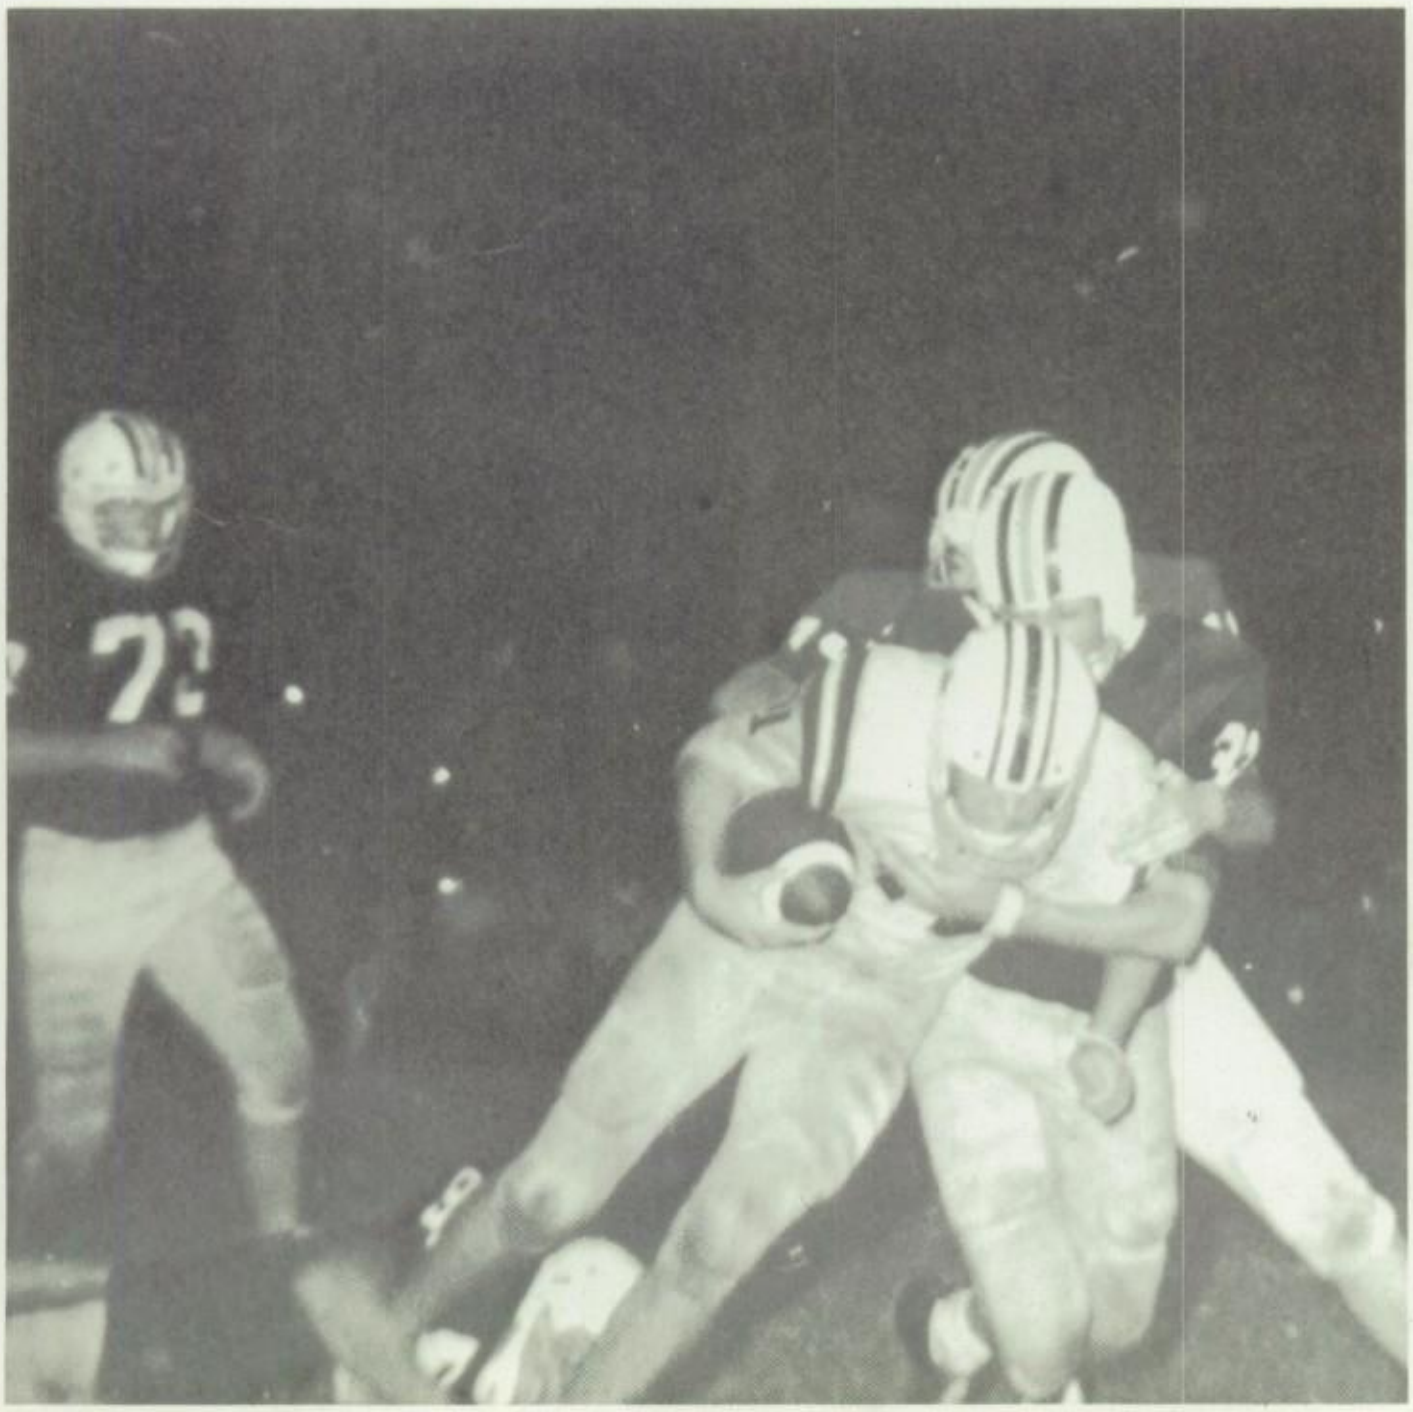


For the third time in as many years the Jesuit Tigers mauled the Marauders. The final score of the game played at Corral Stadium before 1,500 fans was 13-0. The contest was decided in the first five minutes with halfbacks Jack Kaufman and Frank Massari tallying a T.D. apiece. Massari scored on the second play of the game on a 55 yard pass from Q.B. Ed Cimino. Six plays after the bomb Kaufman romped 17 more yards for another 6 points. Suarez booted the extra point good. The rest of the game was resemblance of a hard scrimmage. Don Taylor, the only four year letterman on the squad made a remarkable 19 unassisted tackles.

Homecoming at TIGERTOWN started out disappointingly but ended victoriously for the Bengals. The Crusaders struck quickly in the first half with a first quarter safety and a second quarter touchdown. But in the second period, the slow moving TIGERS, led by Kaufman, began their come from behind scoring spree. After the Crusader T.D. Jack returned the kick to the Tampa Catholic 45. The next play Jack advanced the ball to the 35, and with a Crusader penalty, it was first down on the Catholic 20. Cimino took it to the 2 and Jack finally scored ending the half, 8-6, Tampa Catholic. The TIGERS came roaring back in the second half. On Jesuit's second ball possession, Kaufman out raced his defenders for the score on a 71 yard sprint. George Suarez then split the uprights making it 13-8. The fourth quarter found the TIGERS striking twice, with Les Sumner taking it over first, then Jack on another of his patented runs of 78 yards. It was an impressive quarter with fine running and passing which were all combined for another TIGER victory and homecoming celebration.

A state minded Jesuit squad followed Ed Cimino to a 19-6 victory over Kathleen, their eighth victory of the year. Ed passed for one touchdown and ran the two others. The first play from scrimmage was a 52 yard pass from Q.B. Les Sumner to Cimino and the WHITE were in scoring position. Cimino then tossed 12 yards to Charlie Bisbee in the end-zone for the score. Early in the second quarter Kathleen tied the game 6-6, but from then on found the TIGER defense too tough and were through for the night. The TIGERS were still to show more ability with a 60 yard drive with Cimino plunging over for another 6. In the third quarter, Cimino again did the trick with another short, but ravaging scamper. Cimino was complemented by the skill and speed of Q.B. Les Sumner and Back Jack Kaufman. On defense, end Joe Wehle was responsible for a fine show with 12 unassisted tackles. Massari, a sophomore, did a fine job and he remains a threat in the years to come.





The Jesuit supporters at the final outing of the TIGER season saw an exciting, but heartbreaking contest. Bishop Barry, looking for a homecoming victory, proved to be tougher than expected. Scoring twice in the first half, Barry tasted the win at half-time. In the second quarter, the TIGERS scored on an 80 yard drive led by Cimino's passing to Perry Rogers and finally a 14 yard T.D. to Jack Kaufman and a much needed score. The second half began as "a do or die" situation for the state-minded TIGERS. Starting with a punt return by Kaufman to the Baron 48, the TIGERS drove deeper and deeper into the opponents territory. Cimino slashed into the right side for another score after a 10 yard effort. On Jesuit's next possession, they drove inside the 10 but were stalled by a fumble which proved our greatest mistake of the season. In the third quarter, game tied at 13-13, the TIGERS fought valiantly but were hurt by key penalties after several well executed drives. With seconds remaining, a freak fumble, a quick snatch, and an inspired Barry guard dealt the TIGERS their second loss of the season and ended their bid for state. Final score was 21-13.

Defensive Team in action.

The STRIKING WHITE foiled an old rival, Palmetto, in the closing minutes of the Oct. 29 game, to make it three straight wins for the Jesuit squad. The TIGERS tenacious defense held a rugged Palmetto team on our own one. Spearheading the defensive effort were Ed Shea, Joe Wehle, Don Taylor, Gus VanEepoel, and Todd Bray. The defensive unit held their foe to a minus 29 yards in the second half. Jesuit began the one and only touchdown drive of the game with four minutes left and on our own 20. Nine plays later, Cimino lofted a 22 yard pass to Jack Kaufman for the score. It ended 7-0, with the game dedicated to a person whom we will all long remember.

BOTTOM ROW: (l. to r.) W. Setzer, D. Dunbar, R. Perez, P. Hurn, E. Ellis, G. Franklin, D. Greiwe, S. Suarez, R. Kearney, P. Beers. SECOND ROW: R. Azmitia, S. Taylor, R. Gillis, G. Romero, K. The 65-66 Baby Bengals were under the coaching talents of Mike McMillan and Ray Lunquist. The young Tigers, although fighting hard, had to take defeat on the chin and strive harder to join the varsity next season. Their schedule was as follows:

# BASKETBALL

The 14-13 record of the first seniorless basketball team in the history of Jesuit High School was termed a successful season. With Coa Paul Straub moving to Athletic Director the Tiger Cagers were piloted by Coach Leo Diaz. The season was highlighted by the hustling Tige three consecutive wins in capping the Group 12 Class A crown. The season ended with the team receiving the Sportsmanship award at t City banquet. Coach Diaz is looking forward to his second year as head coach as his seven juniors, two sophomores, and one freshman w all be returning.

# SWIMMING

From the very first day of practice, it was known that this Tiger swim squad had the potential of going all the way.

The Tiger Tankmen, showing tremendous depth this year, got off to a fine start by winning the Robinson Relays for the second time in one year. They then went on to be undefeated in City dual meets, finally copping the City Championship. At the Class A State Meet in Fort Lauderdale, the Swimming Tigers, led by their outstanding captain Bruce Campbell, splashed their way to fourth place out of twenty-one participating schools.

The fine coaching of Danny Del Rio plus the Tiger spirit and the hard work of the team added up to Jesuit's greatest swim season ever.

Bruce Campbell receives his medal for setting new record in the city for free style.

Florida Gator strains for distance in the Broad Jump

The First Jesuit Annual Invitational Track Meet was brought about through the tireless efforts of the spirited Dads' Club. These dedicated dads invited the various schools and colleges that made up the four divisions of this meet.

Among the four divisions, the University division contest was the most interesting. Florida State University, University of Florida, Florida A.&M. University, and the University of Miami made up the University division. In the Freshman and Junior College division the University of Florida Frosh, Florida A.&M. Frosh, University of Miami, Frosh, Florida State Frosh, Miami-Dade Junior College, and Manatee Junior College participated. The third division consisted of six Class A High School and the fourth division was made up of seven Class AA High Schools.

The Jesuit Invitational Track Meet has many firsts to boast. It was the first intercollegiate STATE CHAMPIONSHIP held in the Sttae of Florida. Secondly it was the first time Florida A.&M. had ever competed with the University of Florida, Florida State, or the University of Miami.

From the more than 600 athletes who participated in the meet, the sports writers and sportcasters selected Ken White of Florida State University as the top individual athlete.

# SACRED HEART CHURCH

Death came to Father James M. Buckley, S.J., suddenly, but not unexpectedly, early in the morning of February 10, 1966. Father Buckley during his tenure as Pastor of Sacred Heart Church worked untiringly for souls and for the improvement of the physical plant entrusted to his care. His greatest material accomplishments were: the re-decorating of Sacred Heart Church and its complete air-conditioning, and the construction of the information center and rectory.

The life of Father James Michael Buckley is admirably summed up by saying that he strove to live up to the advice St. Paul gave his disciple, St. Timothy: "Take care to present yourself to God as a man approved, a worker that cannot be ashamed, rightly handling the word of truth."

MAY HE REST IN PEACE.

The Tiger Annual staff has worked long, trying hours in the struggle to give the students at Jesuit High the biggest and best annual ever. Yet before the class of 1966 has to revert back to the shadows of memory we, the Editor and Moderator, feel that this collection of memories can only be completed when we have publicly thanked all who have helped us.

Without a great many friends and an abundance of help there would be no yearbook. We wish to thank Beverly and Simon Studios for their valuable time and help. Thanks to the people at Taylor Publishing Company and in particular to Mr. Lon Watters, their Tampa Representative who has given helpful and friendly advice. A very special thanks to Mr. Henry Torres, S.J., Mr. Wayne Roca, S.J., and Mr. Luis Lopez, S.J. for their time, help, and proofreading.

Our personal thanks go to the school administration for their support, counsel, and trust. The greatest "Thank you" goes to the incomparable staff who are the 1966 Tiger. To the members of the Editorial Staff, Ray Chase, Peter Von Gontard, and Charles Bisbee, we extend our thanks for their help and friendship. Many thanks to the Sectional Editors and other members of the staff: Danny Fernandez, Les Sumner, Mike Doyle, Brian Zinnamon, Don Taylor, Ken Hankins, John Hendry, Terry Malowney, Nestor Sanchez, Paul LiCalsi, Steve Azzarelli, Chuck Traina, Bruce Golding, and Perry Von Gontard, whose only pay, just as the Editors', is the fulfillment and satisfaction that comes with seeing the Annual printed.

The Tiger publishing year is over and in order to end where we began—on the entrance walkway to Jesuit High School—we now return to this same spot, a walkway trod often by you for one, two, three, or four years and containing many shadows in your memory. A walkway that says you are always WELCOME.
